## Press Release

### Chemic Laboratories Inc. (Chemic) announces SCiO Analytical, LLC. (SCiO) joining Consulting Consortium

December 2, 2015

Chemic Laboratories Inc. announced today the addition of **SCiO** Analytical to Chemic's Consulting Consortium. Chemic Laboratories for many years has been a leader in Extractables & Leachables testing services arena supporting OINDP, PODP, Injectable and SUS systems. The addition of **SCiO** members Thomas N. Feinberg, Ph.D. and Daniel L. Norwood, Ph.D. formally expand this available expertise to Chemic's clients and further solidify Chemic Laboratories' place as the expert analytical laboratory in the ever expanding E/L space.

"Chemic is very excited to formally establish this working relationship with **SCiO**. Tom and Dan are experts in their field and our past dealings with them over the years have been very positive. This formal relationship will foster continued collaboration and provide our collective clients direct access to the Subject Matter Experts needed to accelerate their drug development timelines," said Joseph St. Laurent, President and CSO of Chemic Laboratories Inc. "Addition of **SCiO** permits our two companies to immediately work together in a formal way for the benefit of our collective clients"

**SCiO** Analytical President Thomas Feinberg said "Our clients will benefit greatly by gaining access to the skilled scientists working in Chemic's laboratories. Dan and I will also be available to Chemic's clients to help them design the best strategies for control of packaging systems and other analytical chemistry issues requiring a steady hand in an increasingly complicated regulatory landscape."

#### About Chemic Laboratories, Inc.:

*Your Partner for a Successful Future<sup>®</sup>*

Chemic Laboratories is a privately held full service FDA registered and DEA licensed, cGMP/GLP Contract Chemistry Organization (CCO) founded in 1998. Chemic offers unparalleled contract Analytical, API Synthesis, and Formulation Development, to the Pharmaceutical, Biotech, and Medical Device industries.
